

## Electric Vehicle Tag Account Scheme Terms and Conditions

1. The Electric Vehicle Tag Account Scheme is open to the registered owners of an electric vehicle or a plug-in hybrid (i.e. an Eligible Vehicle) which are registered on the Department of Transport's National Vehicle Database File (NVDF).
2. The registered owner of an Eligible Vehicle may be required to submit evidence of the vehicle's eligibility when seeking to open an Electric Vehicle Tag Account.
3. Under the Scheme account holders will receive refunds in accordance with the published Scheme Rules set out on <http://www.etoll.ie/electric-vehicle-toll-inc/>
4. The Scheme Rules set out the overall limitations contemplated by the Scheme, including the fact that the Scheme is subject to review by the Minister for Transport Tourism and Sports who may vary certain aspects of the Scheme from time to time, including in relation to the Annual Maximum Eligible ETC Limit.
5. Customers should note that the Scheme Rules specify that an Annual Maximum Eligible ETC Limit is to be applied per Eligible Vehicle regardless of which Tag Service Provider you have an account with.
6. Refunds will be credited to an Electric Vehicle Tag Account where there is a valid tag transaction made by the Eligible Vehicle.
7. Refunds will be credited to the Electric Vehicle Tag Account one month in arrears.
8. We will process your transactional data, including your personal data, for the purposes of: (i) crediting any refunds to your account; (ii) invoicing Transport Infrastructure Ireland with respect to the cost and payment of the refunds; (iii) reporting on the Scheme to TII and DTTAS; and (iv) monitoring compliance with the Scheme Rules. For further information in relation to the processing of your personal data, please refer to our Privacy Policy [here](#)
9. The Scheme will be in place until 31 December 2022 and the level of refunds may vary on foot of Ministerial direction and in accordance with affordability limits of the overall Scheme for the Exchequer.
